# PRESS RELEASE

## **True Blue Bay Boutique Resort Is recognized by The Grenada National Council of the Disabled for employing differently-abled persons.**

On December 3rd, 2023 True Blue Bay Boutique Resort was recognized by The Grenada National Council of the Disabled for employing differently-abled persons. This award was presented by the Council to Mr. Russ Fielden on International Day of Persons with Disabilities. Mr. Fielden accepted the award on behalf of the resort staff and management. He expressed honour for receiving this unexpected award and commented that persons who are differently abled bring added benefits to the teams they work for, encouraging tolerance and awareness not only to the staff but to the guests alike.
